

STATEMENT OF PURPOSE

RS29192 / HCR029

This concurrent resolution encourages state officers, agencies, and employees to promote interventions and practices to identify and treat child and adult survivors of severe emotional trauma and other adverse childhood experiences using interventions proven to help and develop resiliency in these survivors. This resolution:

- Highlights recent advances in understanding the impact of adverse childhood experiences on an individual's future outcomes.
- Encourages state officers, agencies, and employees to become informed regarding well-documented detrimental short-term and long-term impacts to children and adults from serious traumatic childhood experiences.
- Encourages state officers, agencies, and employees to implement evidence-based interventions and practices that are proven to be successful in developing resiliency in children and adults currently suffering from trauma-related disorders.

FISCAL NOTE

There is no impact to the State general fund or local government.
